

# APPLICATION FOR AUDITING TOPICS

Auditing means that a person attends lectures from a topic in an award course for general interest (i.e. not for the purpose of completing the requirements of the award).

Please note that auditing a topic does not include resources reserved for students such as field trips, tutorials, seminars, workshops, laboratories, computing facilities, Flinders Learning Online, or assessment.

## 1. APPLICANT DETAILS

Full name:

Contact phone:

Date of birth:

Email address:
