THE WORLD UNIVERSITY RANKINGS

Bold opportunities await you at Flinders University.

Are you ready to fearlessly pursue all that life has to offer? Flinders University is ready to welcome you, and help you realise your ambitions.

We've overcome the recent disruptions to international travel, and created dynamic and flexible study options to set you on the path to your future career.

At Flinders University we will help you to achieve success at a university ranked in the world's top 2%.* Our new Flinders University Academy can assist with pathways to a degree, with courses in English language, Foundation Studies and diplomas that provide direct admission to multiple Flinders degrees.

Upon joining us you'll find a welcoming, friendly environment filled with people who share your passions, including world-class teachers and state-of-the-art facilities. You will also meet, study and exchange ideas with more than 26,000 Australian students and gain a truly global perspective from fellow international students from more than 90 countries.

You'll have the support, encouragement, and resources you need to grow, learn and enjoy an extraordinary Australian university experience. Our beautiful campuses at Bedford Park and Sturt are surrounded by gum trees, walking trails and koalas, our innovation campus at Tonsley is a hub of high-tech ingenuity and our business campus in the Adelaide CBD is just 22 minutes from our southern campuses connected by a brand-new train line.

Meanwhile we're developing a range of modern new facilities to ensure we stay at the forefront of contemporary education and research. Work is underway on a vibrant cultural and creative hub for students, staff and community called Flinders Village, which will incorporate more student accommodation. Its first building is already taking shape – a new Health and Medical Research facility which will become a focal point for research innovation. At the same time, construction has commenced for our new Festival Plaza campus in the very centre of Adelaide's main cultural, entertainment and business precincts, which will dramatically expand our city presence.

One of the aspects that makes Flinders University stand out is our core values of Excellence, Innovation, Courage and Integrity.

We're not just committed to the quality of your learning here and now, but we're committed to helping create a more sustainable future for all, reflected in our focus on the environment and sustainability. Our campuses are powered by 100% green energy, we practice waste reduction and recycling, and have free charging stations for electric vehicles. We are also champions of diversity and inclusion, and have deep respect for First Nations peoples, upon whose lands we have the privilege to operate.

At Flinders University, we have a vision to be internationally recognised as a world leader in research, an innovator in contemporary education, and the source of Australia's most enterprising graduates. This vision drives us to constantly challenge the way we think and act on every level.

Our research is rapidly growing in funding and scale, and our global reach is extending through international collaborations in research and education. Active engagement with business and industry is giving our students access to placements and research opportunities with leading companies and employers. In 2021 the Australian government named Flinders as Australia's number one university for postgraduate employment, with 97% in full-time work after completing their degree.**

Making the choice to study internationally is a big decision and we're committed to ensuring you enjoy the very best learning experience.

I can say with confidence that now is an exciting time to join Flinders University and explore Adelaide, a dynamic, safe and liveable city renowned for its arts, culture, festivals, food, and enviable lifestyle.

I'm positive you'll love your time in South Australia and I look forward to welcoming you soon.

Flinders Village

A vibrant destination for learning and lifestyle

Centred around the new Flinders Station, the $1.5 billion Flinders Village development will create a campus environment that merges university life with the wider community.

Flinders Village will feature student accommodation, an advanced Health and Medical Research Building, transitional health accommodation, a hotel and amenities such as retail facilities, benefitting students, staff and the community.

Flinders Station links Bedford Park to Tonsley and the city in just 22 minutes.

Creating a substantial increase in the quantity, quality and choice of on-campus living facilities, Flinders Village will see an active day-and-night culture in high-quality public spaces, ensuring a sense of safety and connection, with students able to participate in Village life around the clock.

The location and layout of the new student accommodation development is also designed to provide connectivity between our precincts – with picturesque pedestrian routes connecting our central campus to the Village square.

Health & Medical Research Building at Flinders Village

Flinders University is investing in a world-class Health and Medical Research Building (HMRB) for Southern Adelaide.

As a leading biomedical research facility, it will enable collaboration between researchers, healthcare and industry partners, translating world-class research into improved community healthcare outcomes.

Having led the field in medicine, health and care for nearly 50 years, this significant investment will support Flinders' ambitious research growth agenda as we build on our reputation as one of Australia's premier health and medical research universities.

The building is an exciting development that will be at the heart of Flinders' vibrant health, medical research, education, and lifestyle precinct at Flinders Village.

$255 million project set to activate the $1.1 billion economic value of Flinders Village.

We will be a premier university in health and medical research.

Flinders Station

Flinders Station is a new gateway to the University precinct and a pivotal step in the realisation of Flinders Village.

Designed to connect the Flinders Railway Station with our University and health community, this is a safe and active space for passengers commuting via train to Flinders.

It is a faster, smoother journey from the Adelaide CBD to Flinders in just 22 minutes, connecting our city, Tonsley and Bedford Park campuses.

Station Plaza is open to students, staff and our whole community, where you can visit the coffee shop Urban Paddock Co and enjoy the fresh air and relaxed seating throughout the day.

Flinders at Festival Plaza

New city campus – opening 2024

Flinders University students want flexibility, convenience and connectivity. That's why we're taking our presence in the Adelaide CBD to a whole new level as the anchor tenant in the new Festival Plaza development on North Terrace.

This $1 billion project will offer new courses and career pathways, creating greater accessibility for students, industry and research – strategically connecting key technology, business and art precincts.

Festival Plaza Precinct

Right in the heart of the city centre, Festival Plaza is strategically positioned amongst Adelaide's medical and educational precinct.

Breathing life back into the city, it will feature a reinvigorated 5,000 m² city square, a commercial tower with 40,000 m² of premium office space – home to Flinders – and a two storey precinct featuring cafes, restaurants and luxury retail outlets. The flexible design of the plaza will accommodate concerts, exhibitions, pop-up food, beverage stands, art and other cultural exhibitions, making it a thriving destination to work and play from day to night.

Around the corner from the Adelaide Railway Station, the new door-to-door rail link will keep the new Flinders CBD campus, Tonsley and Bedford Park connected – just 19 minutes by rail to Flinders Tonsley and 22 minutes to Flinders Bedford Park. Plus, it will include a 1,500-bay car park for added convenience.
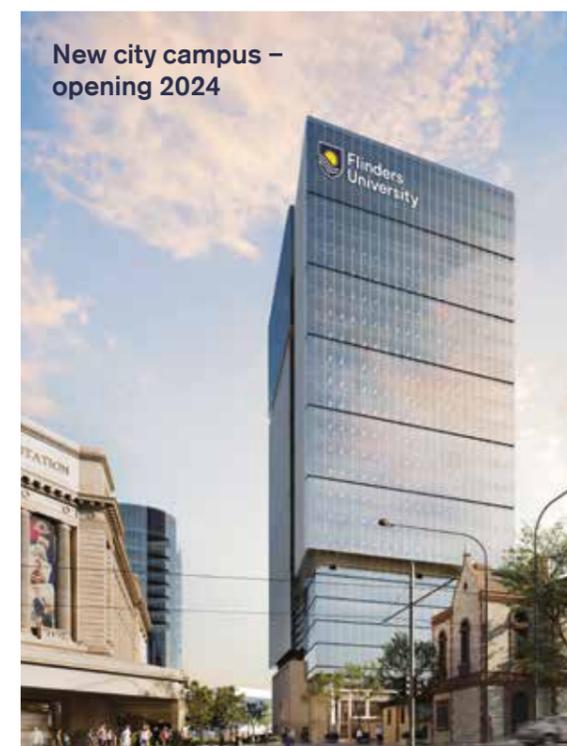

Flinders is student focused

You'll find world-class support services from before you arrive until you graduate, academic and English language assistance, prayer/multi-faith rooms and a personalised learning approach designed specifically to help you succeed.

The Flinders experience
At Flinders, we value our people, and our people value the Flinders' experience. Our students have rated us five stars in overall learner engagement, learning resources and skills development (The Good Universities Guide 2022), and our alumni remain engaged and part of the Flinders family for years after they've received their degrees.

International Student Services
International Student Services (ISS) is the first point of contact for international students and offers a range of programs supporting your enrolment, study and social life, as well as a referral service to facilities on campus and within the local community.
flinders.edu.au/international/explore/international-student-services

Student Learning Centre
The Student Learning Centre (SLC) provides learning support for students, ranging from writing and mathematics support to assistance with study and time-management skills. SLC also offers a free program to support students who need to improve their English in the academic context.

Flinders connect
If you need help, Flinders Connect has a team of knowledgeable staff who you can talk to online, via phone or face-to-face. You can also access Flinders Connect for specialist assistance in careers, IT and a range of support services.

Flinders is career minded

Invested in your future

A university degree provides you with more job options. But a globally recognised, industry-accredited Flinders degree prepares you for a satisfying career in your chosen area.

Gain specialised skills and knowledge while developing portable qualities like independent thinking, communication, collaboration, ethics and creativity – qualities shared by innovators, entrepreneurs, pioneers, creators and trailblazers.

Flinders has an impressive range of industry connections with global leaders including CISCO and BAE Systems, which means you'll have the opportunity to take up practical placements and graduate job-ready and ahead of the curve.

Gain practical work experience
Flinders aims to provide every student with access to a Work-Integrated Learning (WIL) opportunity during their studies through placements, practicums, field studies and simulated workplace activities. Work-Integrated Learning will give you valuable industry skills, build your professional network and give you the opportunity to experience work in a professional Australian environment. Your WIL experience will help you graduate career-ready.

Industry connections
Flinders' local and international industry partnerships help you gain real-world experience in practical situations.

Mentoring
The Flinders Ignite Mentoring Program will help you in many ways. Peer mentors understand the student world and are ready to help guide you through every aspect of the transition to university life. A peer mentor will share their knowledge, expertise and experience to help you get the most out of your time at Flinders.

Find the job you want
Flinders' CareerHub, our online employment portal, helps you prepare for and find the job you want. It's your one-stop shop, offering personalised job opportunities and access to employer events and career-related resources.

World-class research

Research is a fundamental cornerstone of our mission as a University. *flinders.edu.au/research*

Through research and research-led teaching, we build and develop knowledge and capabilities that improve lives and enhance society.

Our Medical Device Research Institute develops, tests and makes available practical tools to assist people with both physical and cognitive disabilities.

Flinders' molecular technologists are working with industry to create more effective products and cleaner industries, and Flinders' cultural and humanities researchers are opening the world of the creative arts to new analysis with their e-research initiatives.

Our research spans areas such as:

Autonomous vehicles

Clean technology

Energetic materials

Health and medical

Labour and industry transformation studies

Marine and maritime research

Medical devices

Nanotechnology and analytical chemistry

People and society

Psychology and neuroscience

Water and the environment

Flinders' research has a positive impact, not just on your learning, but on the world around us.

Flinders is a significant and growing presence in research and innovation in Australia and internationally. We engage closely with industry partners and end-users to ensure that our research makes a difference.

An authentic 'Aussie' experience

Adelaide's location offers you the chance to enjoy an authentic Australian experience. Relax on beautiful metropolitan beaches only minutes from the city centre. Spend a day exploring the rolling hills that frame the city's eastern edge, or spend a weekend discovering our world-famous wine regions, touring the rugged Flinders Ranges or spotting Aussie wildlife on the spectacular Kangaroo Island.

Getting around

Adelaide is very easy to explore. You'll quickly discover that the city is well serviced by public transport, and as an international student, you'll receive the same transport concessions as local students, saving you up to $700 per year on transport costs. Free tram and bus services run in the Adelaide city centre.

Buses run frequently to and from Flinders University and the adjacent Flinders Medical Centre, with various routes running directly from the city and suburbs. Now open, the $141 million extension of the Tonsley rail line and creation of a new station links Flinders Bedford Park and Tonsley campuses by rail, allowing Flinders students to access the CBD by train in 22 minutes.

Adelaide is also cycling-friendly, with a large community of cyclists and dedicated bike lanes.

Festivals

South Australia is known as the 'Festival State', with regular cultural and sporting events held right across the year, including:

Shopping

Like to shop? Adelaide has a wide range of retail outlets. Westfield Marion, the biggest shopping mall in Adelaide, is located just 10 minutes from our Bedford Park campus. Rundle Mall, located in the city centre, offers department stores and high street brands, while the café-lined Rundle Street is home to designer labels.

Food

If you love great food, you'll love Adelaide. The city is full of stunning cafés and restaurants. South Australia is well known for producing high-quality produce, from fresh fruit and vegetables through to the finest meat and seafood. The city is also close to high quality produce regions, such as the Barossa Valley and McLaren Vale. Adelaide is a multicultural city well catered to vegan, vegetarian, Halal and Kosher requirements.

Flinders at Tonsley

Explore Flinders' Tonsley campus: a $120 million centre of innovation. It's a place where collaboration and entrepreneurial spirit combine to create the products and processes of the 21st century.

With more than 150 staff, 2,000 students – and a 2,000 square metre pod for heavy engineering equipment – Tonsley centrally locates the University's teaching and research in computer science, engineering and mathematics.

The New Venture Institute (NVI), based at Tonsley, links businesses, government and the community sector to all that the University has to offer.

Through their programs and activities, NVI inspires, educates and connects students like you: the future generation of innovators and entrepreneurs.

Flinders at Tonsley has strong connections to industry. The centre is also home to local and international businesses, including industrial manufacturing company Siemens.

Flinders Partners, the Medical Device Research Institute, Flinders Centre for Nanoscale Science and Technology, and Factory of the Future – Australia's first large-scale advanced manufacturing accelerator – are also located at Tonsley.

Tonsley is located centrally between Flinders' Bedford Park campus and Adelaide city. Tonsley is a five-minute car ride, a 15-minute ride on the Flinders loop bus or a 30-minute walk from the Bedford Park campus.

The $141 million extension of the Tonsley rail line links Flinders' Bedford Park and Tonsley campuses by rail and allows Flinders' Bedford Park students to access the CBD by train in 22 minutes.

A warm welcome to Flinders

Before you arrive

Moving to another country is a big decision, so we'll do everything we can to make the transition easy. International Student Services (ISS) is here to help you get started, with a range of services that support you to quickly settle into your new life at *Flinders. flinders.edu.au/international/ explore/international-student-services*

Arrival services

Before you leave home, ISS will assist you to plan your arrival in Adelaide. They will connect you with on-campus support services and staff in your academic area, making your transition to Flinders as smooth as possible.

Meet & greet

You can also book a free meet-and-greet through ISS. You will be met at Adelaide Airport, the railway station or the central bus station and taken directly to your new accommodation. The service is also free for accompanying family members.

When you arrive

Orientation

Once you've arrived, things get busy! The first few days of university are exciting but can also be daunting, which is why we have a number of orientation sessions and programs to help you get used to the University community.

Student support

Once you've arrived, it's time to explore. Adelaide runs a year-long calendar of free and discounted events especially for international students. As soon as you arrive, you will be given a free welcome backpack and guide with everything you need to know about living in Adelaide. Find out more at: *studyadelaide.com*

Flinders would definitely be a good place to start your international education. I say this because Flinders facilitates an easy transition to university life by providing help and support at various stages. For example, it has OASIS (a place where we can cook, eat and organise formal/informal meetings, and even get a lot of free fruits and vegetables) which I think is one of the favourite places at uni for all the international students.

I found that world-class research on 'patient-reported outcomes' was going on in the discipline of optometry at Flinders. I contacted the researchers and things started from there. Flinders offered great support to carry out our research: internal (library resources, research higher degree professional development programs, workshops) and external (collaborations with hospitals and other institutes) that were extremely useful to successfully carrying out my research.

Public Health

There's never been a better time to study public health.

Public health has become an increasingly significant focus of government plans worldwide, initiating developments at local, national and international levels within multiple healthcare settings. Our courses offer the opportunity to specialise in public health with a remote, rural or international focus.

You will explore and redefine the sector, uncovering insights and industry advancements that can overcome critical health issues. This includes learning how to prevent diseases, prolong life and protect communities, design educational campaigns, shape policies and fight emerging and chronic diseases.

I am interested in working with NGOs (non-government organisations) and I've always wanted to work in the health field. This course goes in-depth into the basic amenities such as water and housing and how they affect overall health; it encompasses a whole range of in-depth knowledge I did not know about from previous studies. Academically, Flinders is of a high standard, the teaching is top-notch, with the lecturers and staff willing to help as much as they can.

General Notes

Fees listed are only valid for applicants who commence in the 2023 academic year and include the University's Student Services and Amenities Fee (SSAF). Applicants should be aware that annual tuition fees will be subject to an increase for each year of study and may be different from future published commencing tuition fees. Applicants will be liable for these fees upon acceptance of an offer from Flinders University.

† Applicants for combined Bachelor/Masters degrees should note that the listed fee is for the Bachelor component only and that the Masters component of the degree attracts a higher fee. For an indication of the fee for the Masters component, refer to the standalone Masters degree in the Postgraduate course list.

In the event of a variation between the fees listed here and the approved University schedule of tuition fees found at flinders.edu.au/international, the approved University schedule will supersede those listed here. Please also note some courses may require students to purchase uniforms, clinical laboratory or workshop materials or equipment or undertake field trips at their own costs.

Administrative fees may also be charged for variations of enrolment such as deferral, transfer of study, or reinstatement of enrolment. The University reserves the right to alter, amend or delete any course, fee, or entry requirement without prior notice.

A Levels
Results are calculated on the aggregate score from 3 A (H2) Level subjects (or 2 A (H2) Level subjects and 2 AS (H1) Level subjects) where A=5, B=4, C=3, D=2, E=1 for A Level subjects, and A=2.5, B=2.0, C=1.5, D=1.0, E=0.5 for AS Level subjects.

General Paper and local language subjects are excluded from the calculation.

IB
International Baccalaureate students must achieve the Diploma with a minimum overall score of 24. Students must complete six subjects, one from each of six subject groups as well as three subjects at a higher level. The Diploma results are on a scale of 1 to 7 (with 7 being the highest). A minimum pass grade for SL subjects is 4, while HL subjects is 3.

ATAR
The Australian Tertiary Admission Rank (ATAR) is the primary means used to assess and compare the results of Australian school-leaving applicants for entry to the University. An ATAR is a number ranging between 99.95 and zero that reports a student's rank position relative to all other students.

Indian Central and State Board
Indian Senior Secondary Schooling results are calculated using the best three subjects, excluding local language, English and non-academic subjects.

HKDSE
Hong Kong Diploma of Secondary Education is calculated on the aggregate score of the best 5 subjects of any combination of core and elective subjects from category A. 5**=6 points, 5*=5.5, 5=5, 4=4, 3=3, 2=2, 1=1. Minimum Level 2 is required for Core subjects.

Kenya KCSE
Successful completion of the Kenyan Certificate of Secondary Education with overall mean grade as specified on transcript/result.

WAEC
Successful completion of the West African Senior Secondary Certificate (WASSC) with a total of the best six subjects. Scoring is on a 1 to 9 scale (1 being a high pass and 9 the lowest).

Grades	Definition	Interpretation	Equivalent
A1	Excellent	75% – 100%	1
B2	Very good	70% – 74%	2
B3	Good	65% – 69%	3
C4	Credit	60% – 64%	4
C5	Credit	55% – 59%	5
C6	Credit	50% – 54%	6
D7	Pass	45% – 49%	7
E8	Pass	40% – 44%	8
F9	Fail	0% – 39%	9

Vietnam Upper Secondary
Applicants must have undertaken the Secondary School Learning Examination (Thi Tot Nghiep Pho thong Turng hoc) and have been awarded the Upper Secondary Education Graduation Diploma (Bang Tot nghiep Trung hoc Pho thong) with an overall average grade.

Indonesia
Indonesian Secondary School Certificate of Graduation (SKHUN/STK) or Secondary School Certificate of Completion (Ijazah, previously STTB). A pass is an average of 6.0 out of 10 with at least 4.26 in each subject (previously 3.0). Grades from the student's final year of study are shown separately on their school report.

Malaysia STPM

STPM calculation A or A-=5pts; B+=4; B=3; B- or C+=2; C=1. Add the points scored for best of three courses attempted at one examination, excluding General Paper.

Malaysia UEC

UEC scores are obtained by calculating the best five subjects as follows: A1=1, A2=2, B3=3, B4=4, B5=5, B6=6, C7=7, C8=8. Language studies and the topic General Paper are excluded in the calculation.

Gaokao entry requirements

This table sets out the Gaokao scores, correct at time of printing, that are required for entry to most of the undergraduate courses at Flinders University. On meeting the required Gaokao score, applicants must also satisfy any course prerequisites and must meet the English language requirements of each individual course.

Gaokao applications will undergo the standard assessment process and must include the following documents:

- certified evidence of the official result issued by Academy of Education Recruitment and Examination in both Chinese and English translation identifying the stream students have taken in the examination

- certified Senior Middle School graduation certificate and transcript in both Chinese and English.

Admission process

Admission to Flinders University is a simple four-step process.

1 Your application

2 Your offer of admission

3 Confirmation of enrolment

4 Arrival & orientation

Your application

Submit your application, making sure you include all the required supporting documents as attachments. We will send you an acknowledgment and advise you if any further information or documentation is required.

Your offer of admission

Your offer of admission will be sent to you by email. We will endeavour to send your offer letter within 10–14 working days once your application is complete; however, there may be delays where you have applied for a course with strict quotas or additional entry requirements apply, or where credit/exemption is sought for previous study.

Your offer of admission will include details on how to accept your offer by completing the Offer Acceptance form and associated declarations. You will also be required to pay the relevant tuition fees for the first semester and the Overseas Student Health Cover (OSHC) for the duration of your student visa as detailed in your offer of admission.

Ensure you read your offer of admission letter carefully as it may include important deadlines for accepting your offer or deadlines for payment of fees to secure your place in the course.

Confirmation of enrolment

We will issue the Confirmation of Enrolment (CoE) upon receipt of the signed acceptance, review of the declaration(s) and payment of fees including OSHC. With the CoE you can apply for your student visa. Please check your visa requirements at: *homeaffairs.gov.au*

Arrival & orientation

Pre-arrival information to assist you prior to your departure for Adelaide is also available in the International Student Handbook at: *flinders.edu.au/international/explore/international-student-services*

Applying through an agent

Flinders University has a network of agents situated in more than 400 offices around the world. We encourage you to talk to someone face-to-face about your unique situation to ensure any information you get is tailored specifically to your needs.

Agents can provide you with:

answers to specific questions that relate to your own situation

up-to-date and intensive education counselling

assistance in application and student visa processing

pre-departure and arrival assistance

IELTS and TOEFL support

assistance with travel arrangements, including obtaining a student visa.
