100% Green Energy Campuses

Flinders University is powering its SA campuses and facilities with 100% green renewable energy, achieving net-zero emissions from electricity.

Flinders in Adelaide

Accommodation

Flinders is the only university in Adelaide where you can choose to live on campus. You may also find student accommodation at our new Adelaide CBD provider, The Switch, or choose to live in private rental accommodation in a nearby suburb.

An authentic 'Aussie' experience

Adelaide offers a mix of beautiful landscapes, sparkling beaches, rolling hills and a vibrant urban centre.

Flinders Link

The \$141 million Flinders Railway Station connects Flinders Bedford Park and Tonsley campuses by rail, allowing Flinders' students to access the CBD in just 22 minutes.

Flinders Village

Our future \$1.5 billion Flinders Village development will feature student accommodation, an advanced Health Research facility, health accommodation, a hotel and retail facilities.

Festivals

South Australia is known as the 'Festival State', and there are regular cultural and sporting events

Food

South Australia is a food centre, with a higher ratio of cafés and restaurants to residents than any other city in Australia.

Shopping

Adelaide has a wide range of retail outlets, making it easy to shop for any taste or budget. Westfield Marion, the biggest shopping mall in Adelaide, is located 10 minutes from our Bedford Park campus.

Sustainability

Over 7600 solar panels, combined with electricity supplied by one of South Australia's largest renewable energy projects, provide Flinders campuses and facilities with 100% green energy.

Weather

South Australia is fortunate to have a Mediterranean climate, with long, hot summers and cool to cold, snowless winters.

Adelaide: Designed for life

Adelaide, the capital city of South Australia, has been named one of the top 40 student cities in the world.*

QS Best Student Cities 2022

Meet our students

Flinders University provides so many different services that I truly believe makes a difference in a student's life here. I have always felt very supported by all members from different departments, my course coordinator, topic coordinator and student advisors have been lovely to work with. What makes Flinders stand out is that I feel more connected and involved in the University than ever, there is always opportunities for international students to meet others and explore Adelaide.

Tina Pei Ye Koay, Malaysia,
Master of Speech Pathology

When I chose Flinders, I compared it with the other universities in South Australia and found my degree offered the longest placement opportunity. It ended up being one of the highlights of my experience. Flinders also helped me to create my resume, my cover letters and even in improving my skills to attend interviews. The university does a lot to assist international students to find a job in Adelaide as well as South Australia

Flinders University is more than just a place to get a degree, it prepares for the world ahead of you and makes you the best in your field.

People in Adelaide have really made life great here as they have been very accommodating and friendly. The international student community has been the best so far.

Temitayo Adeniji, Nigeria,
Master of Accounting & Finance

I have always had a keen interest in programming and loved solving problems. What excites me most about my field is that everyone's ideas for problem solving is so unique.

I love studying in Adelaide because it is so affordable and you can easily commute from one part of Adelaide to the other in less than an hour. Also, Adelaide is truly the festival state, you can never have a dull moment here.

General Notes Fees listed are valid for students who commence in the 2023 academic year only and include the University's Student Services and Amenities Fee (SSAF). Students should be aware that annual tuition fees will be subject to an increase for each year of study and may be different from future published commencing fees. You will be liable for these fees upon acceptance of an offer from Flinders University.

In the event of a variation between the fees listed here and the approved University schedule of tuition fees found at flinders.edu.au/international, the approved University schedule will prevail. Please also note that some courses may require students to purchase uniforms, clinical laboratory or workshop materials or equipment or to undertake field trips. Administrative fees may also be charged for variations of enrolment such as deferral, transfer of study, or reinstatement of enrolment. The University reserves the right to alter, amend or delete any course, fee or entry requirement without prior notice.
