“Flinders has an extraordinary reputation in the education setting. The diversity of the topics in my degree has provided me with the skills and knowledge I need in the field. What excites me most about my studies is the opportunity to go on placement and use the theories learnt from my tutors. They are not just theories, they are part of practical elements that I can transfer from theory to my future career.”

Tianyang Zhang, Master of Teaching (Early Childhood)

NOTE: Postgraduate applicants must complete a non-academic assessment task known as a Teaching Capabilities Statement as part of their application. This involves a short statement in response to three set questions used to demonstrate suitability for study and work in the teaching profession. Visit flinders.edu.au/study/courses/teaching-capabilities-statement for more information.
